EQUIPMENT • PARTS • SERVICE • ENGINEERING

Pumping Equipment

Electric, Engine Driven and Air Operated • Centrifugal & Positive Displacement • Vertical • Horizontal • ANSI • API • AOD • Slurry • Submersible • Sump • Self-Priming • Venturi • Vacuum • Vertical Turbine • Hot Oil • Cryogenic • Metering • Gear • Fire • Trash • Magnetic Drive • Seal-less • High Pressure • Process • Chemical • Parts • Packages • Fire Pump Houses • Canned Motor • Lobe • Peristaltic • Screw • Pitot Tube

Mechanical Seals

AES Component Seals • Eagle Burgmann • DELTA Cartridge Mechanical Seals, Inc • EKATO Mixer Seals • John Crane • Chesterton

Motors & Drives

AC and DC Motors • Variable Frequency Drives • Industrial Duty • Heavy Duty • NEMA 1, 4X, or 12 • 1/8 to 500 HP • Bypass Units • Custom Programming • Building Automation Interface Options include Modbus, DeviceNet, Metasys N2, APOGEE FLN and others • Soft Starters

Process Equipment

Mass Transfer Equipment • Column Internals • Packing and Trays • Steam Jet Vacuum Systems • Heaters • Eductors • Direct Fired Heaters • Furnaces • Hot Oil Filtration Systems • Heat Recovery Units • Dry Disconnect Hose Couplings • Hose Reels • Supply Reels • Air & Gas Cooling • Compression Filtration • Detection • Drying Systems • Refrigerated, Regenerative & Deliquescent Air Dryers • Medical Compressed Air Purifiers meeting Grade "D" Breathing Air & NFPA 99 Guidelines • Portable Breathing Air Purifiers • Continuous Duty Air Purifiers • High Efficiency Air Purifiers • Carbon Monoxide (CO) Monitors • Quiet Module Cooling Towers • High Efficiency Cycling Chillers • Closed-loop Clean Water Cooling System • Compressed Natural Gas Dryers • Mixers & Agitators for Liquids, Solids, & Gasses • Dynamic and Static Mixing • Heat Exchangers • Tanks • Tank Cleaning Machines • Fans

Rotating Equipment Accessories

EASY-LASER™ Laser Measurement & Alignment Systems • Shaft Alignment • Sheave/Pulley Alignment • Geometrical Measurement • Shims • Calibration • Service • Vibration Analyzers • Thermal Imaging Cameras • RMS: Reliability Management Services

Pollution Control & Water Treatment

Fume & Dust Extractors • Air Filtration Systems (Portable and Fixed) • Welding Ventilation • High Vacuum Systems • Quick Connect Duct Work • Scrubbers: Packed Columns and Venturi • Thermal Oxidizers • Flameless Thermal Oxidizers • Steam Deaerators • Vacuum Deaerators • Condensate Return System • Water Filters, Softeners, Demineralizers, and Reverse Osmosis • Steam Specialties Accessories • Industrial Waste Water Treatment • Disinfection • UV • Onsite Hypochlorite Generation

Parts & Accessories

We stock repair parts for ANSI and non-ANSI pumps • Air Filters • Regulators • Oil Sight Glass • TB WOODS Couplings • Gauges • Lubricators • Bearings • ULTRACHEM® Synthetic Lubricants • Labyrinth Seals • Wahl Thermo Sensors
